

## **Second Announcement**

### **CALL FOR PAPERS**

#### **6th QATEM Workshop**

#### **Quantitative Approaches in Tourism Economics and Management**

14<sup>th</sup>-16<sup>th</sup> June 2018

Punaauia, Tahiti

French Polynesia

QATEM 2018 is the sixth event under a workshop series on Quantitative Approaches in Tourism Economics and Management. The workshop/conference is co-organized and supported by University of French Polynesia (GDI, EA 4240), University of Valenciennes (IDP, EA 1384), University of Perpignan (CRESEM, EA 7397) and the International Association for Tourism Economics (IATE). It will be held in Punaauia (Tahiti, French Polynesia) on Tuesday 14, Friday 15 and Saturday 16 June 2018. By focusing on the theme of quantitative approaches in tourism economics and management, QATEM 2018 will provide an opportunity for gathering, analyzing, and debating state-of-the-art academic research in this recent field of economic and management sciences. The scientific committee would welcome submissions on both parametric and non-parametric approaches. Theoretical contributions are also encouraged.
